

To: Bar Association of Norfolk County Members
From: Adrienne C. Clarke, Executive Director

Dear Attorney:

The Bar Association of Norfolk County is sponsoring a series of legal clinics. These clinics are sponsored at the Quincy and Dedham District Courts from December 2018 to October, 2019. The issues are diverse, ranging from Estates, Wills & Trusts, Personal Injury, Workman's Compensation, Family Law and Divorce to name a few.

The clinic is an advice and referral clinic where clients consult on a one on one basis with the scheduled pro-bono attorney. There are resources available for the attorney if he or she finds the need to refer the client to a specific agency after the initial consult. Arrangements may also be made to contact the Referral Service of the Bar Association if further assistance is needed. If you are interested in donating two hours of your time, return this notice so that we may schedule you for one, two, three or all of the Evening Legal Clinics we are now in the process of scheduling. Again, we would like to thank you for your continued participation and assistance in allowing the Evening Legal Clinics the success it has achieved in the past years. Please fill out the attached form if you are interested in participating in the Evening Legal Clinics. Please indicate your dates of preference and fax this notice to our office at 617-770-9948 or E-mail to norfolkcountybar@aol.com as soon as possible. Thank you for your interest and participation. We look forward to hearing from you.
